7 UNITED STATES DISTRICT COURT  
8 WESTERN DISTRICT OF WASHINGTON  
9 AT SEATTLE

10 KATHERINE MOUSSOURIS, et al.,

CASE NO. C15-1483JLR

11 Plaintiffs,

ORDER

12 v.

13 MICROSOFT CORPORATION,

14 Defendant.

15 Before the court is Special Master Michelle Peterson's April 26, 2018,  
16 supplemental report and recommendation (Supp. R&R (Dkt. # 468)) to clarify and correct  
17 some issues contained within the original report and recommendation filed on April 16,  
18 2018 (R&R (Dkt. # 462)). The court adopted the original report and recommendation  
19 except insofar as it involved the items addressed by the supplemental report and  
20 recommendation. (4/29/18 Order (Dkt. # 469) at 2.) The supplemental report and  
21 recommendation clarified the issue of redacting information regarding non-party

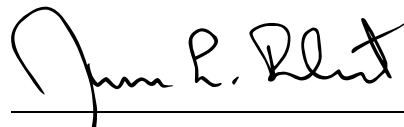

22 //

1 individuals and amended three clerical errors regarding redactions of Microsoft employee  
2 names. (Supp. R&R at 1-2.)

3 Pursuant to Federal Rule of Civil Procedure 53(f), the court must decide de novo  
4 all objections to the findings of fact or conclusions of law made or recommended by a  
5 special master. Fed. R. Civ. P. 53(f)(3)-(4). Here, neither party objects to any of Ms.  
6 Peterson's supplemental recommendations. (*See generally* Dkt.; *see also* Supp. R&R at 5  
7 (allowing parties to file objections, if any, no later than May 1, 2018).) The court has  
8 reviewed Ms. Peterson's supplemental report and recommendation in accordance with  
9 Federal Rule of Civil Procedure 53(f), the parties' submissions related to the issues  
10 addressed by the supplemental report and recommendation, the relevant portions of the  
11 record, and the applicable law. Having done so, the court finds Ms. Peterson's reasoning  
12 persuasive in light of the record and independently reaches the same conclusions for the  
13 reasons Ms. Peterson articulates.

14 Accordingly, the court ADOPTS the supplemental report and recommendation  
15 (Dkt. # 468) in its entirety. The parties are INSTRUCTED to unseal and revise, as  
16 necessary, the redactions on any documents identified by the supplemental report and  
17 recommendation as well as the original report and recommendation.

18 Dated this 3rd day of May, 2018.
